

# Workshop information

## Upload your material

at: <http://h2media.humlab.umu.se/>

**8 groups - preconfigured**

### Goal:

- Create an implementation plan for the digital humanities in a 5-7 year perspective
- Take into account the present situation
- Should focus on the intermediate future (rather than the past/present/far future)

### Specification:

- Should identify major challenges
- Should address institutional, scholarly, technological matters (not necessarily separately)
- Should provide a "solution" to the current situation
- Should reflect on impact
- Can reflect on the material (and other) constraints of the workshop

### Time available:

- Optional: Lunch Thursday (suggestion: take 20 minutes)
- Thursday: 4:30 - 5:40 pm
- Friday: 09:15-10:00 am
- Friday: 1:00-2:15 pm
- Submission: 2:15 pm Friday (through web form)

### Format of the presentation:

- Using the screen scape in HUMlab-2
- 11 screens
- One image per screen
- 10 + 5 minutes (strictly enforced)
